

Stephenson County Bridge Mileage Chart from Mouth of Pecatonica River at the Rock River

Prepared by: Mike Munda – Stephenson County GIS

This information was compiled using the latest version of the Stephenson County GIS System in 2011. The mileage was determined by following a near centerline of the Pecatonica River when practical. The mouth of the river measurement is the method used by the U.S. Army Corp of Engineers in determining mile markers on all rivers under their jurisdiction.

BRIDGE	WINN./STEPH. LINE	ROCK RIVER
Farwell Bridge Road-Pecatonica	2.83	39.83
Rock City Road-Ridott	9.40	46.40
RR/Pecatonica Prairie Path-Ridott	12.77	49.77
U.S. 20 Bypass East-Freeport	17.93	54.93
Old Bridge (Water Plant)-Frpt.	25.05	62.05
Hancock Avenue-Freeport	25.22	62.22
Stephenson Street-Freeport	25.77	62.77
New Pec. Prairie Path-Freeport	25.94	62.94
Van Buren Street-Freeport	26.41	63.41
Illinois 26-Freeport	27.29	64.29
RR/Jane Addams Trail Ext.	31.11	68.11
U.S. 20 Bypass West-Freeport	34.54	71.54
Winneshiek Road-Freeport	35.45	72.45
Cedarville Road-Lena	39.91	76.91
McConnell Road-McConnell	47.88	84.88
Bridge Street-Winslow	55.88	92.88
Wisconsin State Line	56.83	93.83

Placement of Road/Bridge names and mileage on up river and down river sides would help all river users in case of emergency, trip planning and river access.
