We are making big plans!

Current

It’s Winter! What can you do with a water trail? Do you have an Ice Boat?

You spend the winter planning the events for the coming Summer! Another option could be ice fishing.

In January and early February the LCPD, FPD and FPRF make plans for the year. It’s important to plan because the Freeport/Stephenson County Convention & Visitors Bureau takes these plans and does the best job possible to get information out to those looking for every type of activity.

This year we are working harder on events and site development and appreciate even more all the hard work of Lena Community Park District and Freeport Park District. Fishing tournaments, paddling flotillas, canoe instructions, experience kayaking, canoe & kayak races, and river clean up are all things being planned.

This year our emphasis will be on lifetime sports. Better yet, send your ideas.

Local Scheduled Events

The January 19th meeting is at Rafters at 7:00PM.
Everyone is invited.
