

**Pecatonica River Mileage Marker Bridge Signs
(RMM)**

the 15 BRIDGES that cross over The Pecatonica River in Stephenson County

There will be 2 signs on each bridge, 1 looking upstream and 1 looking downstream.

**All the signs have been purchased.
All the signs have been bolted to the brackets.
Not all signs have been bolted to bridges yet.
It is a work in progress.**

Wisconsin State Line – no bridge

It is 56.83 miles to the Winnebago / Stephenson County Line.

It is 93.83 miles to the Rock River

Roger Schamberger supplied about 75% of the 2 inch steel for the frames for mounting the signs on the bridges. Roger also supplied the skidloader and the skidloader bridge attachment to attach the signs under the bridges.

**Joe Green designed and built the frame mounts,
and installed signs on 10 of the 15 Bridges.**

Joe Green

Jim Leamy, Joe Ginger, Diane Garrow, and Lee Butler assisted with bolting the signs to the frames and mounting the signs to the bridges.
